Mahendra Educational Institutions

ISO Certified and NBA Accredited Institutions

With the noble ambition of educating the downprodden underprivileged in Salem and Namakkal Districts, Mahendra Educational Trust (MET) was founded in the year 1978 by the eminent educationist, Shri. M.G. Bharath Kumar.

Since then, it has evolved into one of the major groups of institutions in this part of the state, with various schools and colleges imparting quality education to boys and girls from all strata of society.

Shri. M.G. Bharath Kumar,
Founder Chairman - Mahendra Institutions
Service to the Nation in the
cause of Education

An inviting learning environment

The institutions have structured buildings, advanced teaching tools, computerized LCD classrooms, wireless LAN, RF Net connection, energetic and outstanding staff members, digital general library with racks of standard books and useful CDs, Department-wise libraries, highly equipped labs and workshops, multipurpose hall, gorgeously designed auditorium and a huge well-facilitated indoor stadium.

Training and Placement

The cell gives special attention to improving the employability skills of the students to attend placement programmes and perform successfully. It has an efficient team to train the students by giving training in Personality development, Aptitude and Technical tests, Communication skills, Group discussion, Interview technics etc.

The Training and Placement Cell works through constant interaction with companies and organizes industrial visits, in-plant training and projects for students.

Maples ESM Technologies Ltd

HP ProCurve University Initiative

As part of the MoU, HP trains students in computer networking through its ProCurve Networking University. The company offers training to the students at 3 levels and issue certificates at the end of the course. This course is aimed at creating yet another career opening for the students in the field of Information and Communication Engineering.

Library

Fully computerized, air conditioned library with 30,000 volumes of books which include national, international and E-journals.

Hostel

Separate gents & ladies hostel accommodate more than 2000 students. Each hostel room has common facilities for indoor games, reading rooms, audio, video and medical facilities.

Sports

Encourages the spirit of the sports personality and conducts college and state level matches. Indoor and outdoor games are valued. Spacious Volleyball & Cricket ground and sports kits make the students play enthusiastically.

Transport

Buses are operated in and around the institutions to a radius of 80 kilometers.
