## ABOUT THE COLLEGE

With the noble intent of Educating the underprivileged in the Salem and Namakkal Districts, Mahendra Educational Trust (MET) was founded in the year 1978, by the great Educationist and Philanthropist Shri. M.G.Bharath Kumar. Mahendra Engineering College, established in the year 1995, it provides all the advanced amenities required for Technical Education in Namakkal and Salem Districts. The college is an Autonomous Institution and an ISO 9001:2008 certified institution. The college is affiliated to Anna University and duly recognized by the AICTE, New Delhi. The College stands as colossus at Mahendhirapuri on Salem - Tiruchengode - Erode state highway, 27 Km from Salem and 33 Km from Erode and is well connected to all major cities. They offers Ten Undergraduate Programmes in Engineering and Technology and Nine Post Graduate Programmes in the field of Engineering, Computer Applications and Management Studies. The Colleges are offering part time Ph.D., Programme in Physics, Chemistry, CSE, ECE and MBA.

## ABOUT THE DEPARTMENTS

The Department of Information Technology blossomed in the academic year 1999. The department has a team of well qualified, experienced and dedicated faculty members with good academic background. The Department is fully accommodated with modern hardware and software accessibility to cater to the academic needs of students and staff.

The Department of CSE was started in the year 1995 to render services to the student community to meet the growing global challenges. The department has well equipped laboratories with latest hardware and software, and also with internet & Wi- Fi connectivity. The Department has a team of dedicated, experienced and qualified faculty members and witnessed tremendous growth in academics and research. Major research areas include Image Processing, Multimedia, Data Mining, Cloud Computing, Network Security and Wireless Networks.

The Department of MCA, established in 1998 with the intake of 60 students. The Department has established very good computing laboratories to support its academic programmes in addition; it maintains a good library, to fulfill its commitment to the cause of academic progress.

## OBJECTIVES

The main purpose of the Workshop on Software Testing is to share ideas, generate new techniques, and to provide a forum for people who are interested in improving

- The testing of systems
- Meeting system requirements
- Finding bugs in programs
- Confirming user acceptance
- Finding limits of performance
- Verifying documentation

## SESSIONS DETAILS

### ⊕ Session I

Introduction  
Basic Concepts  
SDLC & STLC  
Evolution of Testing  
Quick Quiz

### ⊕ Session II

The Purpose & Role of Testing  
Different Types of Testing  
Test Techniques, Strategies, Methods  
Quick Quiz

### ⊕ Session III

The Testing Process  
Documentation  
Test Automation & Tools  
Agile Testing  
Quick Quiz

### ⊕ Session IV

Practical Aspects  
Quick Test, Feedback

## ELIGIBILITY

Researchers (Full Time / Part Time), Faculty members, Academicians intending to do / doing research and Final year UG and PG Students of various Engineering and Arts and Science colleges can attend.
